Dear Parents and Carers

Firstly, we want to thank you all for your support, not only during these difficult times but throughout our 60 years of trading. Many of our customers have become more like friends, and we hope you and your loved ones have all remain safe.

For your peace of mind, we wanted to assure you that we are here to support you and your families throughout these challenging times. We will do all that we can to make the purchasing of school uniform as easy and stress free as possible.

We invite you to visit our website www.kidschoolkits.co.uk to explore your schools uniform requirements and place orders when you are ready. If you require assistance with sizing, sizing guides can be found by visiting our Facebook page at: www.facebook.com/Pretty-Miss-Kids-school-Kits

We are pleased to share with you the measures we have implemented in store ensuring that both customers and colleagues can shop and work in a safe environment.

1. We have introduced social distancing measures and are limiting the number of people in store at any one time. Where possible please limit the number of people in your party to 2-3; the child/children who require uniform and an adult. We appreciate that this is not always possible, and you will not be turned away if your party is greater than 2-3.
2. During busier times, we will need to operate a strict queuing system for entry into the store. It is therefore advisable to shop early for your uniform purchases to avoid the queues.
3. To support families financially, we have extended our deposit scheme so you can now reserve your uniform for £10 and then collect and pay for it all at the end of August. To open a savings club or request more information regarding our lay-by scheme please contact **01633 484408** between 9am and 12pm from Monday to Friday.
